

For Immediate release – July 20, 2024

Fresh Golf Recruitment Solutions is pleased to announce that after a full recruitment process and meeting a number of strong culinary candidates, **the Pitt Meadows Golf Club has selected Matt Osborne as their next Executive Chef.**

Matt Osborne comes to the role of Executive Chef with over 20 years of experience. His passion for cooking began at a young age when he was introduced to the culinary world working at a sailing summer camp. Wanting to turn his passion into a career, Matt attended Vancouver Community College's culinary art program.

Matt's first lead Chef job was at Cats Social House on Granville Island, a part of the Browns Restaurants group. Matt continued to expand his culinary knowledge and skills working at restaurants all over Vancouver and in Ontario. Matt opened Rogue Kitchen & Wetbar's Convention Centre location. Through his hard work and dedicated skill set, Matt was promoted to Executive Chef for the Steamworks Group of Restaurants where he worked for 10 years.

Nick Droulis, Pitt Meadows General Manager mentions “We are thrilled to welcome Matt to the Pitt Meadows family as our new Executive Chef. His impressive culinary background and infectious positive attitude will no doubt elevate the experience for both members and colleagues”. With a newly renovated Clubhouse facility, Matt will be a key piece to the relaunch of culinary offerings to the membership, local community and visitors to Pitt Meadows.

Matt Osborne commented that “I have a passion for cooking, my curated menus focus on being approachable, delicious, current, and focus on local and sustainable fresh products.

In his new position, Osborne will oversee the kitchen opportunities and work together with F&B Director Nicole Longridge to elevate the menus and service to the day to day but also grow the banquet and events opportunities at the newly renovated clubhouse operations.

Matt is a father of two young kids and resides in the Tri-cities. When not at work, he can be found at a local brewery or new restaurants and markets trying out all the area has to offer.

Fresh Golf Solutions, through its Lead Recruiting Director **Scott Kolb**, was able to bring a variety of candidates with a diverse range of culinary backgrounds to consider. This gave Nick & Nicole several very qualified options to be successful in their selection.

Matt starts his journey with Pitt Meadows July 29.

More about:

Pitt Meadows Golf Club - Since 1963, the Pitt Meadows Golf Club has offered its members, guests and the public a delightful golf experience combined with unmatched camaraderie. The course and clubhouse, provides a perfectly manicured landscape and a picturesque backdrop of the Golden Ears Mountains, the setting is as nice as they come.

As the clubhouse fully reopens from the renovations, it created an opportunity to reestablish the concepts of the club's offerings. The facility will cater to the day-to-day member and guest service as well as offer a spacious banquet area to cater to weddings and other special events.
