

Position: **Junior Graphic Designer**

Facility: **Dormie Golf Workshop**

Location: Halifax, NS

Posting Closing: July 8 *(this is an active hiring, suitable candidate may be hired prior to closing date)*

Submissions to: elliott@dormieworkshop.com

Dormie Workshop is an innovative leather accessory business, specializing in bespoke handmade golf products. Brothers and PGA Professionals Jeff and Todd Bishop created Dormie Workshop in the Fall of 2014 based upon three principles: innovative design, highest quality craftsmanship and industry leading customer service. Todd and Jeff are looking to hire a Junior Graphic Designer.

Description:

The junior graphic designer is an entry level position in our product design team. Daily tasks include, but are not limited to the use of adobe suite, communicating with other departments, and designing leather golf accessories. This is a salary position with added benefits as an option.

Duties:

-digital mock ups, revisions, and communicating designs with production staff

Requirements:

- local to nova scotia or willing to relocate
- comprehensive knowledge and use of adobe suite
- recent graduate from accredited secondary education
- team player
- communication skills
- sewing knowledge and garment assembly experience is considered an asset

Dormie Workshop is an extremely dynamic environment that has been growing rapidly in our industry with plans to continue expanding and would love for you to join the team!

Compensation:

Yearly Salary - Starting at \$34,000
