Cottonwood Golf & Country Club is seeking a Food & Beverage Manager.

About Cottonwood:

Established in 1990, Cottonwood Golf and Country Club is a Private 18 Hole Golf Club hosting day to day dining options for the membership and guests of the club. Cottonwood has a very active and involved membership and has added a great social presence through live music, social gatherings and wonderful charitable endeavours.

Duties & Responsibilities:

The duties of the Food & Beverage Manager will include managing daily operations, developing menus, maintaining quality standards, overseeing staff training, monitoring inventory and all cost controls related to supplies and staff.

The F&B Manager will ensure compliance with health and safety regulations and providing excellent customer service.

The Club hosts special dinners, regular food services and is supplemented with Private Events and Outside Golf Tournaments.

The employment is full time and is complemented with a competitive compensation, short term incentive and a full benefits package.
